TIRED OF THE WINTER WEATHER?

Take heart! There have been recent sightings of robins in several Allentown parks! Those harbingers of spring are among us. What will Punxatawny Phil have to say about all this on Ground Hog Day? Perhaps our robins may need some extra words of encouragement.

Disclaimer: Not all robins migrate, however, the sightings were of new park residents.

Locations: Cedar Creek Parkway, Dadonna Terrace, South Mountain Reservoir. Any other interesting sights? Visit a park today and let us know.

Robin seen on January 31 in Cedar Creek Parkway near the Allentown Parks & Recreation Dept office.

Snowman sighting at Cedar Creek Parkway (near Cedar Crest Blvd)!
