**"On the Sunny Side of the Street"** - Music by Jimmy McHugh, Lyrics by Dorothy Fields (1930)

Grab your coat and get your hat  
Leave your worries on the doorstep  
Life can be so sweet  
On the sunny side of the street.

**Fountain Park Volunteer Event – March 12, 2011**

Take a gander along Martin Luther King Jr. Drive in Allentown and you will see beautiful park lands on the south side of the street. In fact, it is 41.62 acres of lush greenery dotted with playgrounds, soccer field, basketball courts, bike trail, walking path, a pool, football field and more. This is Fountain Park. With such an extensive array of recreational facilities and anticipated increase in use prompted by spring weather, twenty individuals from the district region of the Church of the Nazarene volunteered their time to collect litter along the walking path and assorted areas of the park. Their generosity helps to ensure that park users of all ages will have a more enjoyable experience as they walk, bike and play in the park.

**Friends of the Allentown Parks** thanks the counselors and youth of the **Church of the Nazarene** for their interest in Allentown's parks and for giving of their time and energy, and, the Allentown Parks Dept. employees for their assistance and enthusiasm.

**Remembrance Trees at Fountain Park**  
The **Allentown Parks and Recreation Master Plan** for Fountain Park recommends the planting of additional trees to create stronger entry ways into the park. The Remembrance Tree program of **Friends of the Allentown Parks** is one way in which you can help. For more information please contact us.
