THANK-YOU!

*Trout Creek Parkway
and
Dixon Street*

Friends of the Allentown Parks thanks the fine organizations and individuals who participated in our clean-up activities on Saturday September 29, 2012 in recognition of National Public Lands Day.

A beautiful fall day and our dedicated volunteers were out and about collecting litter at Trout Creek Parkway as well as along Trout Creek on Dixon Street.

Several hours and almost twenty garbage bagfuls later, these community-minded individuals finished knowing that they left the park a neater place for friends, family and park users.

Muhlenberg College was well represented by students of Delta Tau Delta who worked diligently collecting litter in and along Trout Creek on Dixon Street.

Members of **Junior Girl Scout Troup 670** lent a hand, earning community service points.

Volunteer **Gwin Krouse** enjoyed the work and the fresh air.

Our thanks to the employees of the **Allentown Dept. of Parks and Recreation** who provided lots of enthusiasm and support as well as the necessary tools and equipment to make this event such a success.
