In search of.....Artwork
We need your help!

Over the years, artists and members of the community have provided Allentown with a generous collection of public art. Many of these artworks were placed in Allentown parks to be enjoyed as we walked park paths, sat along creek banks or went for a leisurely drive. During Allentown's 250th Anniversary celebration, **The Legacy Project** was born—to inventory our works of art, develop a policy and plan for restoration, maintenance, placement and education, and, conduct restoration work.

Phase One is in progress and we need your help. During the inventory process, several works were unable to be located. Have you seen or know where these items are? Any information is greatly appreciated. Contact Friends at 610-432-7275 or email info@allentownparks.org. Thank-you.
