Coca-Cola Donates Rain Barrel

Our sincere thanks to employees of the Coca-Cola Lehigh Valley Plant who generously donated a rain barrel for a good cause!

In May approximately 1,200 3rd & 4th graders of Lehigh Valley elementary schools attended Hydromania 2014, an educational event which focused on watershed awareness, water conservation, and pollution prevention. As part of the Coca-Cola exhibit, students had the opportunity to autograph a full-size rain barrel. The rain barrel is now in full use at the community garden located at Jordan Meadows.

Thank-you Coca-Cola!

Allentown Municipal Golf Course

Recent renovations and upgrades at the golf course are a big hit! Allentown Parks Superintendent Rick Holtzman and park maintenance and operations crews were busy sprucing up the golf course in anticipation of a busy summer season. Upgrades included:

- Redoing the driving range
- Concrete pad for a new range mat
- Patterned concrete and new sidewalks behind the mat
- New landscaping and sod

Check out the great new website, too.
