PARK PICKS by FRIENDS OF THE ALLENTOWN PARKS

Ocean Conservancy Recognition

We are pleased to be recognized by the Ocean Conservancy for our activities to remove debris and invasive plants from our park waterways. This was only accomplished in collaboration with numerous volunteers who share a love and interest in Allentown's wonderful park system.

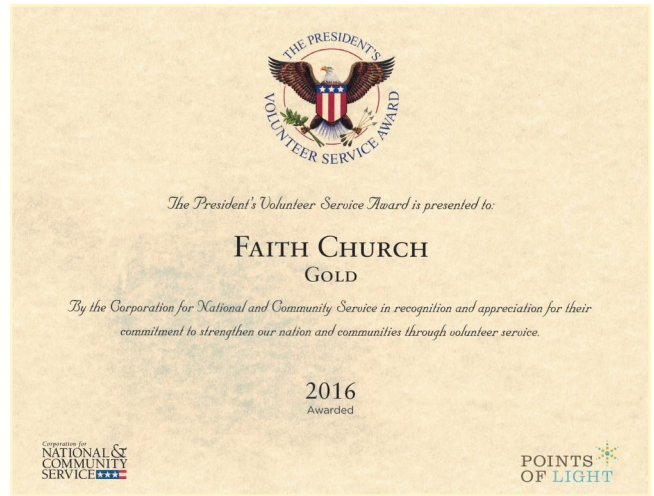

Congratulations to everyone!

West Park 10th Annual Tree Lighting

From making pine cone birdfeeders and Fruit Loops® garland for furry & feathered friends to sharing hot chocolate, cookies and traditional carols, fun was had by all at the West Part tree lighting festivities.

Volunteer Recognition

For the past two years members of Faith Church (Hamilton Blvd., Allentown) have graciously given of their time and energy in community service. In 2016 almost 2,000 volunteers spent one day beautifying 18 Allentown parks. Some parks were used as illegal dumpsites, others were litter strewn and invasive plants had taken over the shores of waterways.

In recognition of extraordinary volunteer efforts, we nominated Faith Church for an award through the Volunteer Center of the Lehigh Valley. As a result, Faith Church received a letter from President Barack Obama and a President's Volunteer Service Award.

Congratulations to members and friends of Faith Church! Thank-you for your service!
