Anyone who strolled through Lehigh Parkway on Saturday had the opportunity to watch youth learn about fishing. Parents or other adult mentors taught children to bait hooks, proper casting techniques, use nets and the art of removing the hook.

For those who missed this opportunity on March 25, there will be a second opportunity on April 8. Click on the above link for permits, requirements and additional details. Then join **Friends of the Allentown Parks** on April 22 at Daddona Lake

and Terrace (aka Union Terrace) for **Kids Gone Fishin'** - a fishing event for children aged 12 and under.
